A Man Who Is Not a Man Thando Mqgqolozana,2020-02-16 After Lumkile is arrested for robbery, his estranged mother appears and removes him to the Eastern Cape, where he makes a fresh start - reinventing himself at a new school and falling in love. When the time comes for Lumkile to enter manhood by undergoing a ritual circumcision, he prepares eagerly for the ceremonies ahead. However, in his makeshift hut on the mountain, Lumkile realises that something has gone terribly wrong. Having been taught that 'what happens at the mountain stays at the mountain' he faces a stark choice: to seek medical help and risk being forever ostracised and labelled as a 'failed man'; or to suffer life-changing injuries or even death. This deftly written novel is one young man's intimate account of a botched circumcision, and his journey to accept his fate and embrace his future, as he gains a deeper understanding of what it really means to be a man.

The Glass Highway Loren D. He has a deep voice, a ten-thousand-watt smile, and the God-given ability to banter with weathermen until his ears fall off. But when the cameras turn off, he has a private problem: His twenty-year old son, Bud, has disappeared. Amos Walker is going to find him./divDIV /divDIVThe boy and his junkie girlfriend are both gone, and Broderick is terrified—not for his son,

but for his career. The station is about to do an exposé on drugs in Detroit, and the newscaster doesn't want his boy's addict girlfriend to get in the way of his Pulitzer. A Shadow on the Glass Ian Irvine,2009-09-26 With this stunning and original debut, Ian Irvine begins the saga of The View from the Mirror, a brilliant epic fantasy that rivals the works of Robert Jordan and J. V. Jones. Once there were three worlds, each with its own human race. Then, fleeing from out of the void came a fourth race, the Charon. Desperate, on the edge of extinction, they changed the balance between the worlds forever... The Tale of the Forbidding In ancient times the Way Between the Worlds was shattered, leaving bands of Aachim, Faellem, and Charon trapped with the old humans of Santhenar. Now Llian, a Chronicler of the Great Tales, uncovers a 3,000-year-old secret too deadly to be revealed-while Karan, a young sensitive, is compelled by honor to undertake a perilous mission. Neither can imagine they will soon meet as hunted fugitives, snared in the machinations of immortals, the vengeance of warlords, and the magics of powerful mancers. For the swelling deluge of a millennial war is rising, terrible as a tsunami, ready to cast torrents of sorcery and devastation across the land...

Milk Glass Moon Adriana Trigiani,2003-07-01 To unify her family, Ave Maria must harness the power of love and its abiding truth in this lyrical and heartfelt novel, the third installment of the New York Times bestselling Big Stone Gap series "Trigiani can make you laugh in one sentence then break your heart in the next."—Mississippi Clarion-Ledger Ave Maria Mulligan MacChesney has never been a devotee of tarot cards or crystal balls. And yet when the fortune-teller at the county fair suggests that it is time for her to "redream" her life, Ave Maria realizes she is wide open to suggestion. Not a bad idea considering that her beloved daughter, Etta, is growing up fast. In the face of the trials of adolescence, Ave Maria tries to prepare herself for the day when Etta will rebel big-time. Of course, everyone in Big Stone Gap sees it's coming: Cranky cashier Fleeta has warned her, county sexpert Iva Lou has consoled her, even Pearl, now a mother herself, has lent her sympathy—but that doesn't make the changes in Etta any easier to handle. Milk Glass Moon chronicles the challenges Ave Maria faces in her parenting and in her marriage, with more surprising twists and turns than on the mountain roads of southwest Virginia. Don't miss any of Adriana Trigiani's beloved Big Stone Gap series BIG STONE GAP • BIG CHERRY HOLLER • MILK GLASS MOON • HOME TO BIG STONE GAP

The Essential Wine Buff Jennifer Taylor,1996 If you are perplexed by the pronouncements of the medical press (a little wine is good for you / a lot of wine is good for you), read what some of our forebears had to say, and be impressed by their feats of consumption. Savour accounts of legendary vintages (their equivalents scarcely affordable), then enjoy a little tour of the world's vineyards.--

Wine Places David Furer,2005 A stunning collection of over 130 photographs leads readers on a visually exciting tour around the world's most famous wine regions—from hidden cellars in Germany to vibrant harvests in South America. Charles O'Rear, a highly regarded photographer for National Geographic, offers a captivating selection of images that dramatically showcase the differences among the international array of landscapes, vineyards, wines, and winemaking. An enlightening narrative, written by a well-traveled wine expert, brings to life the story behind the photos. This breathtaking account of winemaking would make a glamorous gift for any wine lover.

Dad Stuff Steve Caplin,Simon Rose,2013-05 Children expect the earth from their fathers. They have to be able to conjure up games from thin air, to answer every question under the sun, to skim stones and tell bedtime stories. Such perfect dads may exist. For the rest of us, there is DAD STUFF. DAD STUFF is packed with great things to do with kids. Some new, some traditional: like how to learn to ride a bike without tears; how to play the spoons; a rainy afternoon's supply of knock-knock jokes; a selection of magic tricks and how to answer 'Dad, where do babies come from?' There is a range of ideas to suit all situations - games, puzzles, practical jokes and spooky urban myths. Not all dads are walking encyclopaedias, which is why DAD STUFF will provide an easily recalled roster of useful and useless information with which kids can amaze their friends. Dads need never to be stuck for ideas again.
