Wings of Shadow Nicki Pau Preto,2022-07-12 In the heart-stopping finale to the Crown of Feathers trilogy, which #1 New York Times bestselling author Kendare Blake calls “absolutely unforgettable,” Veronyka must face her most devastating enemy yet: her own sister. I had a sister, once... Veronyka is no longer an orphaned stable boy or a nameless Phoenix Rider apprentice: she is the daughter of Pheronia Ashfire, the last queen of the Golden Empire...and the niece of Avalkyra Ashfire, the resurrected rebel queen who tore the empire apart. We shone brightly, burned fiercely. Now that the secret is out, everyone at the Eyrie treats Veronyka differently, and with Tristan still a hostage of the scheming Lord Rolan—and Sev with him as a spy—Veronyka feels very much alone. Except for her beloved phoenix, Xephyra, of course, and her new friend, Kade, who has his own reasons for wanting to save Tristan. Was it always going to come down to this? Sister against sister? Darkness against light? Veronyka is determined to do whatever it takes to get Tristan back, even if that means revealing her identity to the world and inheriting a throne she’s not sure she wants. But when she discovers that Avalkyra has bonded with a strix—a legendary creature of darkness that feeds off the life force of others—Veronyka realizes she has more to deal with than an encroaching war with the empire. Val is willing to destroy everything to get her revenge on a world that rejected her, and if Veronyka wants to bring peace to the empire and Pyra alike, she must face down her sister once and for all. The world began with Ashfire queens...perhaps they will also be its destruction.

Crown of Feathers Nicki Pau Preto,2019-12-31 “Absolutely unforgettable.” —Kendare Blake, #1 New York Times bestselling author of the Three Dark Crowns series “A beautifully told story about justice, sisterhood, and warrior women.” —Shea Ernshaw, New York Times bestselling author of *The Wicked Deep* “Epic in the truest sense.” —Quill and Quire *An Ember in the Ashes* meets *Three Dark Crowns* in this lush debut fantasy novel about a girl who disguises herself as a boy to join a secret group of warriors that ride phoenixes into battle. I had a sister, once... In a world ruled by fierce warrior queens,

a grand empire was built upon the backs of Phoenix Riders—legendary heroes who soared through the sky on wings of fire—until a war between two sisters ripped it all apart. I promised her the throne would not come between us. Sixteen years later, Veronyka is a war orphan who dreams of becoming a Phoenix Rider from the stories of old. After a shocking betrayal from her controlling sister, Veronyka strikes out alone to find the Riders—even if that means disguising herself as a boy to join their ranks. But it is a fact of life that one must kill or be killed. Rule or be ruled. Just as Veronyka finally feels like she belongs, her sister turns up and reveals a tangled web of lies between them that will change everything. And meanwhile, the new empire has learned of the Riders’ return and intends to destroy them once and for all. Sometimes the title of queen is given. Sometimes it must be taken. *Crown of Feathers* is an epic fantasy about love’s incredible power to save—or to destroy. Interspersed throughout is the story of Avalkyra Ashfire, the last Rider queen, who would rather see her empire burn than fall into her sister’s hands.

Heart of Flames Nicki Pau Preto,2021-04-27 The world is balanced on the edge of a knife, and war is almost certain between the empire and the Phoenix Riders. Veronyka finally got her wish to join the Riders, but while she's supposed to be in training, all she really wants to do is fly out to defend the villages of Pyra from the advancing empire. Tristan has been promoted to Master Rider, but he has very different ideas about the best way to protect their people than his father, the commander. Sev has been sent to spy on the empire, but maintaining his cover may force him to fight on the wrong side of the war. And Veronyka's sister, Val, is determined to regain the empire she lost--even if it means inciting the war herself. As tensions reach a boiling point, the characters all find themselves drawn together into a fight that will shape the course of the empire--and determine the future of the Phoenix Riders. Each must decide how far they're willing to go--and what they're willing to lose in the process.

Ouro Preto Darlon Manickchand, 2024-07-26 Embark on a journey to the timeless Brazilian town of Ouro Preto, where traditions meet the present in a tale of resilience and introspection. Our protagonist walks cobblestone streets and ancient facades, facing haunting reflections and unsettling dualities. Caught in a web of moral uncertainty, their choices blur the lines between innocence and culpability. Each twist uncovers deeper layers of the city's enigmatic allure, revealing truths which challenge the essence of reality.

Cr Alfred Hower, Richard A. Preto-Rodas, 1971 From the preface to the Nova Fase: The first edition of *Cronicas Brasileiras* was published in 1970 and has been so well received by teachers and students of Portuguese that several reprintings were needed over the years. The publisher and original editors decided, however, that the advent of many new excellent cronistas in Brazil and various changes in Brazilian life and attitudes during the past twenty years made it advisable to produce a new edition of the book. The new edition was to retain many of the cronicas that have proved to be especially popular and successful and to add newer ones that more adequately reflect aspects of contemporary Brazilian reality. A new essay concerning the evolution of the cronica since the late 1960s has been added to complement the piece written by Paulo Ronai for the first edition. In this second edition of *Cronicas Brasileiras*, one-third of the material is completely new, in most cases new exercises have been added or revised, and all the grammar has been reviewed. The book assists students of Portuguese in developing a reading, speaking, and writing knowledge of the language as it is used in present-day Brazil. The collection introduces readers to urban society in modern Brazil, including such aspects of experience as domestic life, the everyday problems that accompany cultural changes, and the complications caused by a convoluted bureaucracy. The texts are annotated in English so they can be used by students who have completed only an introductory study of grammar. Richard A. Preto-Rodas is professor of romance languages at the University of South Florida, Tampa. He is the author of *Negritude as a Theme in the Poetry of the the Portuguese-Speaking World* (UPF, 1971). He is the coauthor with Alfred Hower

of the 1971 UPF edition of *Cronicas Brasileiras* and of Carlos Drummond de Andrade: *Quarenta Historinhas e Cinco Poemas* (UPF, 1986) and *Empire in Transition: The Portuguese World in the Time of Camoes* (UPF, 1986). Alfred Hower, who died in 1992, was professor emeritus of Portuguese and Spanish at the University of Florida for almost thirty years. Charles A. Perrone is associate professor of Portuguese and Luso-Brazilian literature at the University of Florida. He is the author of *Masters of Contemporary Brazilian Song: MPB 1965-1985* and *Letras e Letras da Música Popular Brasileira* and is the translator/editor of *Taxi or Poem of Love in Transit* by Adriano Espinola.
