My Amy Chicago Review Press, Incorporated, 2022-05-03
A moving, intimate look at the life of Amy Winehouse by her best friend. The death of icon Amy Winehouse at age just twenty-seven rocked the music world. Through the headlines the world thought they watched a car crash: a girl hell-bent on self-destruction. But the truth is far more complicated. Now, her best friend and constant companion Tyler James wants to tell the real story, because she can't. From their first encounter singing together at stage school, through to their wayward teenage years and Amy's dramatic rise to stardom, Tyler was with her through it all. Living with her right up until her death, he was the only one there by her side, day-after-day. He supported her through her career highs—the massive success of *Back to Black* and her five Grammy wins—and personal lows—her lifelong struggles with addiction, insecurity, and eating disorders. & Written with love, *My Amy* is a heartbreaking look at friendship and fame and provides an illuminating portrait of the woman behind the music—a unique, uncompromising force-of-nature. This is the definitive story of what really happened to Amy Winehouse.

The Complete Idiot's Guide to Facebook, 3rd Edition Joe Kraynak,Mikal E. Belicove,2012-10-02 Facebook is by far the most popular social networking site, but it is not as user-friendly as the service would like people to think. It leaves many users scratching their heads over even the most fundamental features, such as the difference between their Wall and their News Feed. And Facebook's help system is woefully inadequate. *The Complete Idiot's Guide® to Facebook, Third Edition*, gets readers registered and touring Facebook in the very first chapter and never lets up as it reveals the features that have made Facebook so amazingly popular. Users discover how to: - Flesh out and protect the all new personal profile - Track down long lost friends, family members, and classmates - Communicate via status updates, email, and chat - Share photos and video - Make the best use of the new Timeline feature - Take advantage of Facebook's new location-based functionality - Schedule real world get-togethers and send out invitations - Share common interests in groups - Play games - Understand Facebook's dizzying array of privacy options that dictate who sees one's content - Buy and sell stuff in the Facebook

Marketplace, and more. Readers also learn how to tap the power of Facebook for more than simply personal use-such as personal branding; marketing a business, product, service, or non profit; or promoting a worthy cause.

Between Pets and People Alan M. Beck,Aaron Honori Katcher,1996 Since the first edition of *Between Pets and People* in 1983, the authors' then-startling contention that pets benefit our mental and physical health has found wide acceptance. Evidence in our daily lives - in television pet food ads, in doctor's offices outfitted with aquaria - attests to how widely the belief in pets' therapeutic influence is now held. This revised edition of *Between Pets and People*, with additional data and case studies and expanded references - including a listing of Internet resources - and a foreword by Elizabeth Marshall Thomas, analyzes the surprisingly complex relationships we have with our pets. This book contains an important lesson for everyone - to accept ourselves and others in the uncritical way that pets accept us, and come to terms with our own animal nature.

Attachment and Adult Psychotherapy Pat Sable,2000 She demonstrates how exploration of attachment histories helps patients to form a more cohesive narrative of their life experiences and develop more secure affectional bonds with others. This thoughtful and extensive work adds an interesting and valuable dimension to clinical practice, provides a new perspective for appraising and dealing with difficulties with affectional relationships, and offers guidelines for effective treatment.--BOOK JACKET.
