**Theresa Sauer**

*Notations 21* Theresa Sauer, 2009 Drawing inspiration from John Cage's, *Notations*, *Notations 21* features illustrated musical scores from more than 100 international composers, all of whom are making amazing breakthroughs in the art of notation. These spectacularly beautiful and fascinatingly creative visual pieces not only make for exciting music, but inspiring visual art as well. The scores are accompanied by written contributions from the artists that explore every facet of their creative processes, from inspiration to execution. Contributors include the likes of Karlheinz Stockhausen, Earle Brown, Halim El-Dabh, Joan La Barbara, and Yuji Takahashi, as well as emerging composers whose compositions are also visually astounding and important. In the spirit of honoring the 40th anniversary of Cage's seminal book, while furthering it in a 21st century context, a portion of the sales will be donated to the Foundation for Contemporary Performing Arts.
