Dress in the Making of African Identity: A Social and Cultural History of the Yoruba People Bukola Adeyemi

Oyeniyi,2015-09-08 This is a book on the social and cultural history of Yoruba people, a people in southwest Nigeria. As the first to provide a comprehensive treatment of Yoruba dress in historical perspective, this book is an important contribution to African history in general and the Yoruba cultural history in particular. The book illuminates the impact of Christianity, Islam, and British colonialism on the construction of Yoruba identity, and how dress was entangled in that construction. It also provides insightful discussions of the transformations in dress culture since independence and demonstrates the importance of dress as a site for contesting and articulating postcolonial Yoruba identity and class structure within the Nigerian national space. This book provides many insights into these issues and is thus an invaluable addition to Africana studies, anthropology, and history.

Hero Maker Dave Ferguson,Warren Bird,2018-03-13 In *Hero Maker*, you will learn how to bring real change to your church and community by developing the practical skills to help others reach their leadership potential. Drawing on five powerful practices found in the ministry of Jesus, *Hero Maker* presents the key steps of apprenticeship that will build up other leaders and provide strategies for how you can: activate the gifts of those around you help others take ownership of their mission develop a simple scorecard for measuring your kingdom-building progress With rich insights from the Gospels, *Hero Maker* is packed with real-life ministry stories ranging from paid staff to volunteer leaders--from established churches to new church plants. Whether you lead ten people or ten thousand, *Hero Maker* will not only help you maximize your leadership impact; but, in doing so, you will also help shift today's church culture to a model of reproduction and multiplication. Chicago pastor and church planter Dave Ferguson and award-winning writer Warren Bird make a compelling case that God's power and purpose are best revealed when we train and release others to further advance the Kingdom of God. By becoming a hero maker and investing in others, you can join a movement of influencers that are impacting thousands of people around the world. Everybody wants to be a hero, but few understand the power of being a hero maker.

A Will in the Wind Jadesola Babatola,2008

A Biography of Elder Joseph A. Afolabi (1905-1994) Elijah A. Adeyemi,1995

Biography Index Bea Joseph, 1977 A cumulative index to biographical material in books and magazines.

Contemporary Art from Nigeria in the Global Markets Jonathan Adeyemi, 2022-12-07 This book brings together from four years of study on Nigerian contemporary art's internationalization. The monograph integrates voices of African (Nigerian) artists and art market players into the growing discourse on the emerging art markets in the global South. It explores the logic of competition and dynamics of power relations in the global markets, focusing on the internationalization of contemporary art forms from peripheral regions. The book confirms that the internationalization of contemporary art form from Nigeria is limited due to systematic marginalization in the artistic field, which in this case based on postcolonialism, and debilitating socio-economic factors such as outmoded art education, unstructured support system and weak mechanism for local validation, and an inefficient political framework for art governance. It will therefore be useful to students and researchers in the sociology of art, art market studies, art history and culture polity.

Yoruba Gurus Toyin Falola, 1999 Toyin Falola, one of the most prominent interpreters of Yoruba History, has written an outstanding and brilliant pioneer book that reveals valuable knowledge on African local historians. This is one of the most impressive books on the Yoruba in recent years and the best so far on Yoruba intellectual history. The range of coverage is extensive, the reading is stimulating, and the ideas are innovative. This is indeed a major contribution to historical knowledge that all students of African history will find especially useful. This original study will find itself in the list of the most important studies of the 20th century. -Julius O. Adekunle, Monmouth University

Children of Blood and Bone Tomi Adeyemi, 2018-03-06 Zlie Adebola remembers when the soil of Orsha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zlie's Reaper mother summoned forth souls.

The Conjure Woman (new edition) Charles W. Chesnutt, 2024-10-22 An early slave narrative, a skilfully woven satire on the stereotypes of plantation life and the apparently beneficent white owner. Told as a series of gentle fables, in the style of Aesop. Featuring a new introduction for this new edition, *The Conjure Woman* is probably Chesnutt's most powerful work, a collection of stories set in post-war North Carolina. The main character is Uncle Julius, a former slave, who entertains a white couple from the North with fantastic tales of antebellum plantation life. Julius tells of supernatural phenomenon, hauntings, transfiguration, and conjuring, which were typical of Southern African-American folk tales at the time. Uncle Julius tells the stories in a way that speaks beyond his immediate audience, offering stories of slavery and inequality that are, to the enlightened reader, obviously wrong. The tales are fabulistic, like those of Uncle Remus or Aesop, with carefully crafted allegories on the psychological and social effects of slavery and racial injustice. *Foundations of Black Science Fiction*. New forewords and fresh introductions give long-overdue perspectives on significant, early Black proto-sci-fi and speculative fiction authors who wrote with natural justice and civil rights in their hearts, their voices reaching forward to the writers of today. The series foreword is by Dr Sandra Grayson.

31 Power Techniques - That will transform your life Iyer Subramanian,2022-03-12 31 Power Techniques - That will transform your life is a book designed for aspiring professionals who has an indomitable will to move ahead in life by their sheer tenacity, grit and unshakable belief to achieve whatever they want. This book will provide you with invaluable strategies that will skyrocket your career. The techniques as listed in the book has worked 100 years before, working today, and will continue to work tomorrow if we learn to put them into daily practice. The methodology is simple but not easy; we need to persist till it is ingrained as a 2nd Habit in our DNA. This book will serve as an invaluable tool for corporate professionals and student's community in shaping their lives and destiny. It will also provide you with the much needed direction which you have been longing for. BY MASTERING THESE TECHNIQUES, YOU WILL NOT ONLY DELIVER MORE THAN YOU ARE CAPABLE OF BUT WILL MAKE INDELIBLE IMPACT AS A PERSON IN YOUR PERSONAL AND PROFESSIONAL LIFE.

The Parable of Dollars Sam Adeyemi,2004-12-01 The Parable of Talents is one of the prominent parables of Christ. The word talent by its use in present times connotes the inherent gifts and abilities in people, hence the parable has been used to teach on the stewardship of our God-given gifts and talents. However, the talent as used in this parable was a currency in biblical times just as the dollar is in our days. A second look at this parable shows that it contains powerful secrets for financial abundance. This book is intended on one hand to be a reminder of the things you may have learnt on finances from the Bible. On the other hand, it is intended to ignite a spark in your heart to take practical steps towards wealth creation. It goes a little beyond conventional teachings on giving, to cultivating wealth-building habits like saving, investing and entrepreneuring. It ends with supernatural wealth building principles through addiction to the Kingdom of God. In this book and the included workbook you will discover how to:Build a Wealth Mentality Develop Financial Intelligence Break the poverty cycle in your life Make, Multiply and Manage Your Money God's way through wise investments Discover and Develop your God-given gifts and abilities to release your financial increase

Children of Virtue and Vengeance Tomi Adeyemi,2019-12-03 An Instant #1 New York Times Bestseller A GOOD MORNING AMERICA Book Club Pick Adeyemi has sparked magic once again. —The New York Times After battling the impossible, Zélie and Amari have finally succeeded in bringing magic back to the land of Orïsha. But the ritual was more powerful than they could've imagined, reigniting the powers of not only the maji, but of nobles with magic ancestry, too. Now, Zélie struggles to unite the maji in an Orïsha where the enemy is just as powerful as they are. But when the monarchy and military unite to keep control of Orïsha, Zélie must fight to secure Amari's right to the throne and protect the new maji from the monarchy's wrath. With civil war looming on the horizon, Zélie finds herself at a breaking point: she must discover a way to bring the kingdom together or watch as Orïsha tears itself apart. Children of Virtue and Vengeance is the stunning sequel to Tomi Adeyemi's New York Times-bestselling debut Children of Blood and Bone, the first book in the Legacy of

Orisha trilogy. Praise for *Children of Virtue and Vengeance*: “Electrifying . . . With this second book Adeyemi brings a new maturity and depth to the series. Her characters are no longer underdogs on a hero’s journey to return magic—now they are leaders who are suffering from the consequences and trauma of their previous quest.” —The New York Times “Like its predecessor, *Children of Virtue and Vengeance* is fast-paced and unafraid to ask tough questions about the cyclical nature of oppression and the systems that enforce it.” —TIME “Relentless even beyond its finish, this is a sure-fire hit.” —Booklist, starred review - *The Complete Legacy of Orisha Series: Children of Blood and Bone (Book 1) Children of Virtue and Vengeance (Book 2) Children of Anguish and Anarchy (Book 3)*

Proxy Michael Altazin, 2019-07-11 *The Last Man Standing Becomes A God!* In their lust for power, the gods from all the world’s mythologies wage war across the planet, leaving wreckage and death in their wake. Fearful no mortals will remain to worship them, the gods agree to continue their fight by proxy. Each pantheon is to choose a single warrior to represent them, known as a proxy. The last proxy standing will become a god themselves. The rest will die, along with the gods they fought for. Chief among these chosen warriors are the Japanese and Greek: a detective named Jet Yoshimoto, and the thief Griffin Eadi.

A Pastor of Souls Peter Oluseyi Adeyemi, 2006

The River Where Blood Is Born Sandra Jackson-Opoku, 2009-07-08 This astonishing novel takes us on a journey along the river of one family’s history, carving a course across two centuries and three continents, from ancient Africa into today’s America. Here, through the lives of Mother Africa’s many daughters, we come to understand the real meaning of roots: the captive Proud Mary, who has been savagely punished for refusing to relinquish her child to slavery; Earlene, who witnesses her father’s murder at the hands of the Ku Klux Klan; Big Momma, a modern-day matriarch who can make a woman of a girl; proud and sassy Cinnamon Brown, whose wild abandon hides a bitter loss; and smart, ambitious Alma, who is torn between the love of a man and the song of her soul. In *The River Where Blood Is Born*, the seen and unseen worlds are seamlessly joined—the spirit realms where the great river goddess and ancestor mothers watch over the lives of their descendants, both the living and those not yet born. Stringing beads of destiny, they work to lead one daughter back to her source. But what must Alma sacrifice to honor the River Mother’s call?

Mary Ann Shadd Cary Nneka D. Dennie, 2023-10-27 The introduction, *We Should Do More, and Talk Less*, offers a biographical overview of Mary Ann Shadd Cary. It describes the historical context that informed her writings and activism, and charts her ideological shifts throughout the nineteenth century. In so doing, it devotes particular attention to the ways that slavery, abolition, the Fugitive Slave Law of 1850, and Reconstruction influenced Shadd Cary’s intellectual thought. *We Should Do More, and Talk Less* discusses the gendered controversies and personal financial challenges that Shadd Cary experienced during the 1850s while she edited her newspaper, the *Provincial Freeman*, and managed a school. The

introduction explains how Shadd Cary understood three central themes: racial uplift, women's rights, and emigration. It also defines a key concept, the Black radical ethic of care, in its examination of nineteenth-century Black radicalism--

Biography and Genealogy Master Index ,1996 A consolidated index to biographical sketches in current and retrospective biographical dictionaries.
